REFUND POLICY

EPSC has fixed costs to cover from the moment teams are formed. With that in mind we have the following policy to protect players who play in the program from incurring unforeseen costs due to “drops”.

- Players not assigned to a team will receive a full refund of all fees paid to EPSC.
- Players who drop from teams will not receive any refund
- Players who suffer serious injury leading to significant loss of EPSC participation can apply for a refund at admin@epsoccerclub.com

Special Circumstance Refund Policy (COVID)

Tryout Fee \$40

This a tryout only fee and DOES NOT bind you to EPSC

Non Refundable

(covers our costs)

Commitment Fee \$100

This fee is an acceptance of offer to play EPSC and DOES bind you to the club.

If there is a cancelation of Fall 8-14U programming this fee will be refunded in all or part depending on the timing of cancelation and club costs incurred. If there is a cancelation of Spring 2021 8-19U programming this fee will be refunded in full or part depending on the timing of the cancelation.

Any cancelation that takes place once the season has started will result in an assessment of club costs incurred versus fees paid to date and a fair refund may then be awarded.

Fees paid in full will be adjusted to reflect the same pro-rated refund.
